Town Warrant

Polls open from 12:00 noon to 6:00 p.m.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bristol, on Tuesday, the twelfth day of March, next, at eight of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing, including one Selectman for three years.
2. To raise such sums of money as may be necessary to defray Town charges for the year ensuing and make appropriations of the same.
3. To see what sum of money the Town will raise for the maintenance of highways and bridges for the year ensuing and make appropriations of the same.
4. To see if the Town will ask for Town Road Aid, and if so, raise and appropriate the sum of \$350.70. Provided this amount is raised by the Town, the State will contribute the sum of \$2,338.00.
5. To see if the Town will vote to appropriate and raise the sum of \$1,300.00 to asphalt the T.R.A. road project being built this year.
6. To see if the Town will vote to raise and appropriate the sum of \$600.00 to resurface and asphalt Mitchell's Hill, so-called.

7. To see if the Town will vote to raise and appropriate a sum of money to blade-mix the surface of Bristol Hill Road, from end of present pavement to the junction of Tunnicliff and Alexandria Road, a distance of approximately 9/10 of a mile. (By Petition)

8. To see what sum of money the Town will vote to raise for the construction and maintenance of sewers for the ensuing year, and make appropriation of the same.

9. To see if the Town will vote to raise and appropriate the sum of \$250.00 to the Newfound Region Chamber of Commerce for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Newfound Region.

10. To see if the Town will vote to raise and appropriate the sum of \$294.77, which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Lakes Region.

11. To see what sum of money the Town will vote to raise for the observance of Memorial Day, and make appropriation of the same.

12. To see if the Town will vote to raise and appropriate the sum of \$4,200.00 to establish, maintain and conduct a system of public recreation, and in connection therewith, to equip and operate the Community Center Building, and to prepare, equip and maintain our public playground; and to employ a play leader, playground instructor or supervisor in connection with such system of public recreation and to see if the Town will vote to authorize the Board of Selectmen to delegate to the existing Community Center Council the power to administer and supervise the expenditure of said sum appropriated for a public recreation system, and the power to employ and supervise a play leader, playground instructor or supervisor.

13. To see if the Town will raise and appropriate a sum of money for Hospitals.

14. To see what sum of money the Town will vote to raise for the construction of sidewalks for the year ensuing and make appropriations for the same.

15. To see if the Town will take any action with regard to the adjustment of the relationship between the Town of Bristol and the Bristol Fire Precinct.

16. To see if the Town will vote to authorize the Selectmen to trade in the present town truck and purchase a new one with money received from the Proctor Trust.

17. To see if the Town will vote to authorize the Selectmen to place \$2,500.00 of the Proctor Trust money in a capital reserve fund for improvements to the Town Lot.

18. To see if the Town will vote to authorize the Selectmen to use any balance of the Proctor Trust money for the construction of sidewalks.

19. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

20. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and fifty-seven.

Water Commissioners Report

As a result of a request by the officers of the International Packings Corporation to furnish a supply of Town water to their newly erected plant on Pleasant Street, a special Town Meeting was held on Sept. 18, 1956.

It was voted at this meeting to extend our pipe line on Pleasant Street to the property of the I.P.C., an approximate 2,600 feet and to raise a sum not to exceed \$15,000.00 to cover costs incident thereto.

Accordingly, plans and specifications were drawn up and bids solicited, the contract being awarded to the lowest bidder. An 8" cement lined cast iron pipe was laid from the end of the 6" main on Pleasant Street, approximately at Fourt Street, to the I.P.C. property, a distance of 2,588 feet.

The cost of the project was slightly in excess of \$14,000, the amount of which was taken from our cash reserve and is reflected in an increase of our fixed capital account of plant and equipment. Preliminary investigation of the market for bonds of this nature, and information received during the several conversations with members of the Public Utilities Commission, made it seem advisable to finance the extension from our surplus.

Except for some minor work on the shoulders of the highway, the project was completed the latter part of November and we are now in a position to supply the new I.P.C. plant with water for industrial and sanitary use as well as for fire protection.

A desirable improvement in our Town fire protection was accomplished when about 500 feet of 4 inch main which supplied the hydrant on Pleasant Street near the cemetery was replaced by the 8 inch extension. A new hydrant was also placed on the end of the line, thus making available a good supply of water for the surrounding area.

Of special interest to the water consumers was a reduction of about 6.5 per cent in the base rate, which became effective July 1, 1956. The minimum rate of \$7.50 per quarter was reduced to \$7.00 a quarter.

Very little trouble was experienced in the operation and maintenance of the plant during the year. The slight increase in operation costs being about parallel with the general price increase index for operation of this type of utility.

Minot-Sleeper Library

Report of Trustees

With the best interests of the people of Bristol and vicinity in mind, the trustees and librarian of Minot-Sleeper Library have endeavored to fulfill their responsibilities.

On May 10, Mr. Dole attended the Governor's Conference for Trustees of Public Libraries, in Concord. He was the reporter for the group discussing "Library Financing and Use of Trust Funds." In March, Miss Mary A. Rogers attended a conference of librarians in Durham.

Miss Rogers, librarian, reports the circulation of books: Adult fiction 14,500, non-fiction 875; junior fiction 1,000, non-fiction 600; total 16,975. Books purchased 108, given 58; total 166. Fines, \$53; "History of Bristol" sold, \$5; total, \$58.

The 1956 edition of the "Encyclopaedia Britannica," 24 volumes, has been added to the reference section.

In October, Mr. David S. Williams, president of the International Packings Corporation, announced the following plan which was accepted by the trustees. Each month two books (the finest editions available) of a series on the development of basic American ideas would be given to the library: one by an important writer, historian, or statesman; and the other by a modern critic of the books that shaped our country's way of thought. A shelf with plaque showing name of donor would be set aside for these. As they are received reviews would be published in the "Bristol Enterprise."

It is believed that this "Bookshelf of American Studies," a continuing project generously maintained by the company for the library, will help the community, particularly the young people, to understand the source of the American ideas we hold today. The first books were received November 21.

The Minnie Maria Day-Jackman fund continues to supply the reading room with these periodicals: American Heritage, Atlantic Monthly, American Girl, Animals, Better Homes & Gardens, Boys' Life, Coronet, Cosmopolitan, Field & Stream, Good Housekeeping, Harpers, Holiday, Horticulture, Jack & Jill, Ladies' Home Journal, Life, Nation's Business, National Geographic (2 copies), Nature, New Hampshire Profiles, Parents Magazine, Popular Hobbies, Popular Science, Reader's Digest (2 copies), Redbook, Saturday Evening Post, Scientific American, Science Digest, Sports, Time, Together, True Stories, U.S. News & World Report, Yankee Junior Craft; and the Bristol Enterprise.

The stuffed bird and animal collection has been moved to a well lighted and better spot downstairs, making space available for additional first floor shelves needed for books.

Several times the trustees have been obliged to reluctantly decline at least temporarily, gifts to the library, which should be displayed in a trophy room; for instance, the Indian relics belonging to the late Richard W. Musgrove, which were bequeathed to the library under certain conditions in the will of Mary D. Musgrove. Although there are a few thousand dollars available in the library funds which can be used for an addition to the building, with present day construction costs so high, much more is necessary before the project can be carried out. However, thinking that there are people interested in the library, who would like to know how it would be

possible to enlarge the building, the trustees have obtained a drawing showing an addition, made by Norman P. Randlett, architect. Information in regard to the plan will be disclosed to the public in the near future.

JOHN C. RAY, Treasurer

Bristol, N.H., December 31, 1956

Auditor's Certificate

This is to certify that I have this day examined the accounts of John C. Ray, Treasurer of the Bristol Fire Precinct for the year ending Dec. 31, 1956 and find the same correct to the best of my knowledge and belief.

L. KENNETH TILTON, Auditor

January 15, 1957

Health Report

Dr. John Greenan, Health Officer
Bristol, N. H.

Plymouth, N.H.
January 4, 1957

Dear Dr. Greenan:

The following is a report of activities carried on in Bristol by the N. H. Department of Health, Bureau of Public Health Nursing for the year of 1956. The major part of the program was the Salk Vaccine clinics for protection against poliomyelitis. A total of four clinics were held in 1956 as listed below:

5/ 8/56 High school auditorium	attendance 261
7/24/56 Community Center	attendance 274
8/23/56 Community Center	attendance 69
12/ 4/56 High school auditorium	attendance 119

Children from the towns of Alexandria, Bridgewater and Danbury were included in these clinics.

The number from Bristol completing second shots of vaccine at the clinics are listed below in age groups:

Under 1 year, 5; 1 to 5 years, 94; 5 to 10 years, 60; 10 to 15 years, 102; 15 to 19 years, 16. Number of children completing booster shots, who received their other shots in the October, 1955 program: 5 to 9 years, 26; 9 to 15 years, 1.

A total of 37 more children from the age group 9 to 19 started first shots at the December '56 clinic and will be completed soon after the first of the year.

I wish to thank the following for all of the excellent assistance given me at the clinics: Mrs. Alfred Frye, Pres., Bristol Woman's Club, who efficiently served as chairman; members of the Bristol Woman's Club who willingly gave of their time and services at each clinic to

assist with records; local nurses, who gave of the professional services to assist the doctor; Dr. J. Greenan for his professional services in giving the vaccine; all of the school personnel for assistance and use of the building; Mrs. Ellen Williams, R.N., School Nurse, for her excellent assistance in planning and assisting at the clinics; the local press for excellent advertising; the Rotary and Lions Clubs for furnishing treats for the children; for the use of the Community Center, and any other organizations or individuals who assisted in any way to make the clinics a success.

Home visits have also been made on expectant mothers, infants and preschool children. Arrangements have been made for children to attend clinics under Cripple Children's Services and follow-up visits made on these cases.

Respectfully submitted,

LOIS BARTON, R. N.

Public Health Nurse

School Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of
Bristol qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall
in said District on the 7th day of March 1957, at eight
o'clock in the afternoon, to act upon the following
subjects:

1. To chose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To chose two Members of the School Board for
the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the
School Board and Truant Officer, and fix the compensa-
tion of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Com-
mittees, or Officers chosen, and pass any vote relating
thereto.
7. To choose Agents, Auditors and Committees in
relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the school district will authorize the school board to increase its 1956-57 appropriation by such amounts as may be necessary in order to pay tuition charges as required by Chapter 193 sections 18a, 18b, 18c, of the N.H. School Laws (State Ward law) such amounts to be taken from unanticipated tuition receipts.

10. To see if the school district will vote to increase the 1956-57 appropriation by a sum not to exceed \$1,400 in order to meet unanticipated increases in fuel, and minor repairs and expenses, said amount to be taken from unanticipated tuition receipts, and only if necessary in whole or in part.

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Bristol this 13th day of February, 1957.

WILLIAM A. BARRETT
SAMUEL E. WORTHEN
VERA L. MacDOUGALL

Total Appropriation	\$126,807.18

Superintendent's Report

Bristol will receive from the state this year \$2,200 in building aid which represents 20% of the yearly bond payment. This law was passed during the last legislature with the money to be paid if available. It is to be hoped that funds will continue to make this payment possible every year. In view that this is paid because of capital improvements it seems only just that part of this amount be set aside annually to provide for additional building improvements of a capital nature and not for regular maintenance. The school board is budgeting \$600 for the installation of tile in the lower hall of the high school building. The annual maintenance of this painted cement surface has been unsatisfactory both from appearance and cost viewpoints. There are other items of a similar nature which would improve our buildings.

Tuition receipts for 1957-58 will approximate \$33,000. This is more than 10 times that received in 1946-47 with about \$25,000 representing high school tuitions. Both the increased number and rate account for this large increase. We have kept our rates on a competitive basis until it begins to look as though the state average will soon equal or exceed the average Bristol costs. As other districts build and assume necessary operating costs the average expenditures will tend to be closer, provided enrollments increase too.

With tuition rates as high as they are, and going higher, an over estimation in the number of pupils can represent a considerable amount of money. Last year

we would have been caught in this dilemma but were saved by elementary receipts. An over estimation of receipts results in an actual cut in our operating budget. Accordingly it seems best to have a budget with an adequate degree of flexibility. If this can ever reach perfection every dollar in excess of estimated revenues could show up as a balance which would be used to reduce the next year's tax assessment. To achieve this goal requires a greater degree of flexibility than we now have. This is possible either through a relatively small contingency fund or through the few line items which are not fixed by law, custom, or practise. It is highly desirable to have a total appropriation big enough so that any revenues in excess of estimates can show as a balance to reduce the assessment the following year. Even though some deficiencies now appear necessary this year, which can be taken from excess revenues, an estimated balance of \$4,800 appears possible, making next year's probable tax assessment \$4,300 less than for the current year, and the lowest it has been for several years. The use of the bus coming from Grafton by high school pupils plus the tuition from the 7th and 8th graders is in part responsible for this unanticipated increase. This balance may be somewhat more in the event it becomes unnecessary to spend the amounts requested in our special deficiency articles.

One deficiency requests an appropriation to pay for possible tuition charges under the so-called "State Ward" bill. The commissioner of education has the final decision in each of these cases. The second deficiency is the result of possible overdrafts in several items including fuel, water, light and janitors' supplies, and minor repairs and expenses. Items were either budgeted too low or not at all, such as costs of glazing the elementary building and repairing its roof. Cleaning the stage drapes at the high school is another item. None of these

by itself is cause for a deficiency but taken together may add to a significant amount. Each deficiency is actually asking for an increase in the total appropriation with **permission** to spend if events during the balance of the year so warrant.

It will be noted that this report has avoided general trends and problems of an educational nature taken as a whole. I can not resist one bit of such and wish again to point out that teachers are a scarce commodity on the open market, that teachers of quality are still scarcer, and that teachers of quality in the fields of science, mathematics, shop, and music are the most scarce. The mayor of Manchester has recommended a minimum of \$3,500 for all degree teachers, and the N.Y. State Teachers' Association is **asking** for a minimum of \$5,000! We may say the first is close to being a reality, and the second is an ultimate goal. In either event the financial ripple will spread across town and state lines. The success of any school depends more on the quality of its teachers than any other single factor.

Respectfully submitted,

C. MAURICE GRAY, Superintendent
